Walking Tour & Pétanque

Let's play *pétanque* in Saint-Tropez! Once at the tender pier, meet your guide and begin the walking tour that will lead you first along the yacht harbour of Saint-Tropez. Learn the history of this former fishing village and the Grimaldi Family's heritage as part of its transformation into a jet-set destination. Discover the alleys, the small beaches, the red church and more iconic images of this world-famous resort. After this introduction, reach the most famous square in the village, Place des Lices, where you will be introduced to the most beloved and common sport in Provence: *pétanque*. This is something more than a simple game; it's a tradition that has its own place in every town in Provence, and evokes passion in everybody, from children to adults to seniors. Learn the difference between 'boules' and 'pétanque', get acquainted with the rules, and begin a real game together with the other tour participants. Similar to lawn bowling and Italian *bocce*, the game is played outdoors with metal balls. In essence, the goal is to throw your balls as close as you can to the object ball, known as a 'cochonnet'—so that your balls land closer to it than your opponent's balls do. It is a game of strategy, accuracy and skill. During the game, you will be offered a glass of rosé wine, in true Provençal style. At the end of the tour, stay in town for a deeper independent exploration, or walk back to the pier with your guide.
